

2022 TOURNAMENT VENDOR TENT RULES

The following rules apply to all Tournament Vendors.

1. Vendors will be allowed to set up tents the day of the event. Setting up the day before the event requires prior approval from the Head Golf Professional. Pelican Point Golf Club is not responsible for any items left before or after a tournament.
2. Vendors must check in at the Golf Shop with a Pelican Point Golf Club staff member before entering the golf course. Vendors that do not check in and enter the golf course without approval may be asked to exit the course immediately.
3. When driving on the golf course, always keep two tires on the cart path. Your vehicle should be on the side of the path furthest from the fairway. Do not drive on the fairway. This will minimize any damage to irrigation pipes, sprinkler heads and drainage pipes on the course. In the event of damage to the course or Pelican Point Golf Club's property or trash left on the course, the Company supplying the Vendor Tent shall be held liable and agrees to reimburse Pelican Point Golf Club for any such damage done to any property belonging to Pelican Point Golf Club.
 - Cooking trailers are only allowed at locations specifically outlined by Pelican Point Golf Club. There are no exceptions to this rule. Please notify the Tournament Chairperson before the event if you plan on bringing a cooking trailer to ensure your designated location allows it.
 - There is a limit of 1 vehicle per hole (if a vehicle is allowed at that location), per golf tournament. Extra parking is available at the clubhouse.
 - Vendors can rent golf carts, if available, from Pelican Point Golf Club, but they must receive authorization from the Tournament Chairperson before doing so.
 - Vendors are required to remove all trash after a tournament. Trash may be disposed of in the dumpsters located behind the clubhouse. There will be a \$500 charge to the event if any trash is left on the golf course.
4. In the event the golf course is wet and designated "cart path only" the day of the event, please check in at the Golf Shop for specific instructions on how to enter the course.
