ABOUT US:

We are the Trailblazers, Leadership Ascension project team dedicated to giving back to the courageous men and women in red who volunteer their time and risk their lives everyday to keep our community safe.

VISION:

Our vision is to create an impactful, family-centered community event that becomes the foundation of an annual tradition honoring the brave men and women in red. We aim to give back to our volunteer firefighters by raising awareness of their daily sacrifices, recognizing their vital roles in keeping our community safe and building lasting support through in-kind donations and volunteerism.
